Chen-Del-O Federal Credit Union

Spring Newsletter

It is with great sadness to announce the passing of Arlene Tarbell, long time employee, Manager/Treasurer and Director Emeritus of Delaware County Teachers Federal Credit Union/Chen-Del-O Federal Credit Union. Arlene passed away on January 3, 2021 at the age of 91.

She began her Credit Union career in 1969 working along-side Founder and Manager/Treasurer Ralph Whitney on his dining room table. When Mr. Whitney retired in 1980, Arlene took over as Manager/Treasurer and held that position until retiring in early 1995 after 25 years of dedication and Credit Union service. She was then elected Director Emeritus.

When she began as Manager/Treasurer in 1980 assets were approximately \$1 Million and grew to over \$9 Million when she retired in early 1995. Throughout her tenure she implemented many services, programs and "specials" to help promote the Credit Union and to help its members. She over-saw the purchase and renovations of the current Credit Union building in 1983 and the expansion of the Credit Union's Field of Membership and name change in 1986. Even after retiring, Arlene came to every Annual Meeting and was disappointed about not being able to attend last year's meeting due to COVID-19 restrictions.

Arlene was a wonderful mentor and visionary. She always said "Mr. Whitney was Mr. Credit Union". With her 25 years in the Credit Union, and although she might not think so, she deserves a title as well---maybe "Lady Credit Union"?! She truly believed the "people helping people" philosophy of the Credit Union, which the previous and present boards, management and staff have strived to continue.

We thank Arlene and her family for their years of Credit Union support and dedication. Her knowledge, professionalism, work ethic and vision won't be forgotten. The Credit Union legacy continues!
